*Note, if you order this wine to drink in, and if it is faulty, **we will to charge you 1/3 of the price.**
We don't refund these bottles when bought to take away.*

Even though we can control the external condition, we cannot guarantee the wine won't be faulty (i.e. corked, oxidised, etc.), would have lost its freshness, or doesn't reach your expectation. Wine being a living material, some bottles may evolve faster than others, especially after more than a decade or more. This can come from the wine itself, the cork, the conditions of transport, handling, storage, etc.
